News coverage _____

Following whole process
from 1977

_____ If you want to receive information about the Rail Alignment Environmental Impact Statement by mail, please check here.

COMMENTS:

Thorough studies re all impacts to environment
including human past + present, economic concerns,
water shed impacts. → Full EIS—including
the possibility of no action. Waste chosen
for delivery must be "older" than "younger"
for safer transport.

Please note: Your comment(s) must be received by the Department of Energy by June 1, 2004 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.

Please feel free to attach additional pages (if mailing, more postage may be needed).
